John R. Justice (JRJ) Grant Program

The Criminal Justice Commission will be launching a new loan repayment program (John R. Justice Grant Program) in late 2010. As the State Administering Agency for this program, CJC will submit an application to the BJA by the mid-July, 2010 deadline. We anticipate that the BJA will notify CJC of our award between October – December, 2010. Once we receive the grant award notification, CJC will take the necessary steps to make this new loan repayment program available to those who qualify. The ***John R. Justice Grant Program*** provides funding for loan repayment for local, state and federal public defenders and local and state prosecutors.

There is nothing to fill out at this time, please watch our website for updates.

Contact for this loan repayment program will be: Lorin Dunlop, Grants Coordinator, Criminal Justice Commission, 885 Summer St. NE, Salem, OR 97301, 503-378-4078.
